

## everyday affairs

### primary care educational program this month

#### **Pri-Med Updates**

DCU Center

Worcester, MA

Friday and Saturday

September 23 and 24, 2005

**Registration is free, but space is limited!**

**Pri-Med Updates** are programs targeted toward primary care practitioners seeking high-quality medical education close to home.

At Pri-Med Updates, you will have an opportunity to:

- **Earn** a maximum of 16.25 category 1 credits towards the AMA Physician's Recognition Award in a concentrated two-day format.
- **Update** your knowledge on timely and relevant topics such as congestive heart failure, diabetes and osteoporosis.
- **Learn** timesaving clinical "pearls" that immediately affect how you practice.
- **Participate** through an Automated Response System in case-based presentations given by practicing physicians.

If you attend, we hope you enjoy the opening remarks of Fallon Community Health Plan's Vice President and Chief Medical Officer, Dennis Batey, M.D.

Visit [www.pri-med.com/updates/worcester](http://www.pri-med.com/updates/worcester) for online registration. Or, register by phone at 877-4PRI-MED.
