FCHP Direct Care Choice 2000 (HSA)

Benefit Summary—*Benefits effective January 1, 2013 and beyond*

The FCHP difference

FCHP Direct Care is a Limited Provider Network. You get everything you need to help you live a healthy life when you choose FCHP. FCHP Direct Care Choice 2000 has a high deductible to keep your monthly premium low. A deductible is an amount you must pay out-of-pocket before FCHP pays for covered services. It can be partnered with a health savings account to help pay for out-of-pocket costs. Plus, you get:

- **A fitness reimbursement of up to $400** for families ($200 for individual contracts) that can be used for gym memberships at the gym of your choice with no limitations, school and town sports fees, home fitness equipment, exercise classes, ski lift tickets, and more!
- **$0 copayments for routine physical exams** and other preventive services, including mammograms, cholesterol screenings and immunizations
- **$0 copayments for routine annual eye exams**
- **Nurse Connect:** A free 24/7 nurse call line
- **Member discounts** on products and services to keep you healthy and features you won't find anywhere else.

How to receive care:

This plan provides access to a network that is smaller than FCHP's Select Care provider network. In this plan, members have access to network benefits only from the providers in FCHP Direct Care. Please consult the FCHP Direct Care provider directory; a paper copy can be requested by calling Customer Service at 1-800-868-5200, or visit the provider search tool at fchp.org to determine which providers are included in FCHP Direct Care.

Choosing a primary care provider (PCP)

Your relationship with your PCP is very important because he or she will work with FCHP to provide or arrange most of your care. As a member of FCHP Direct Care Choice 2000, you must select a PCP. To do this, just complete the section on your FCHP membership enrollment form. If you need help choosing a PCP, please visit the "Find a Doctor" tool on fchp.org or call Customer Service.

Obtaining specialty care

When you want to visit a specialist, talk with your PCP first. He or she will help arrange specialty care for you. The following services do not require a referral when you see a provider in the FCHP Direct Care network: routine obstetrics/gynecology care, screening eye exams and behavioral health services. For more information on referral procedures for specialty services, consult your FCHP Direct Care *Member Handbook/Evidence of Coverage.*

Emergency medical care

Emergency services do not require referral or authorization. When you have an emergency medical condition, you should go to the nearest emergency department or call your local emergency communications system (police, fire department or 911). For more information on emergency benefits and plan procedures for emergency services, consult your FCHP Direct Care *Member Handbook/Evidence of Coverage.*

Plan specifics

Benefit period The benefit period, sometimes referred to as a "benefit year," is the 12-month span of plan coverage, and the time during which the deductible, out-of-pocket maximum and specific benefit maximums accumulate.	
Deductible A deductible is the amount of allowed charges you pay per benefit period before payment is made by the plan for certain covered services. The amount that is put toward your deductible is calculated based on the allowed charge or the provider's actual charge—whichever is less.	$2,000 individual/ $4,000 family
Embedded deductible Please note that once any one member in a family accumulates $2,500 of services that are subject to the family deductible, that individual member's deductible is considered met, and that family member will receive benefits for covered services less any applicable copayments.	$2,500
Out-of-pocket maximum The out-of-pocket maximum is the total amount of deductible, coinsurance and copayments you are responsible for in a benefit period. The out-of-pocket maximum does not include your premium charge or any amounts you pay for services that are not covered by the plan.	$5,000 individual/ $10,000 family
