Introducing The Healthy Health Plan!*

A program that rewards subscribers for being—and becoming—healthy. Simply click on the My Healthy Health Plan link on fchp.org, fill out your health assessment, and you will be eligible to receive up to \$200 in financial incentives! See the Value-added features section for more details.

How to receive care:

With FCHP Steward Community Care Choice 1250, you can choose to get your care from doctors, specialists, hospitals and health care facilities in the FCHP Steward Community Care network. For a complete list of FCHP Steward Community Care providers, visit our Web site at fchp.org/Steward.

Choosing a primary care provider (PCP)

Your relationship with your PCP is very important because he or she will work with FCHP to provide or arrange most of your care. As a member of FCHP Steward Community Care Choice 1250, you must select a PCP. To do this, just complete the section on your FCHP membership enrollment form. If you need help choosing a PCP, you can speak with a member of our Customer Service Department.

Obtaining specialty care

When you want to visit a specialist, talk with your PCP first. He or she will help arrange specialty care for you. The following services do not require a referral when you see a provider in the FCHP Steward Community Care network: routine obstetrics/ gynecology care, screening eye exams and behavioral health services. For medically necessary services that are not available at an FCHP Steward Community Care facility, you may receive care at either Brigham and Women's Hospital or Massachusetts General Hospital. For more information on referral procedures for specialty services, consult your FCHP Steward Community Care *Member Handbook/Evidence of Coverage*.

Emergency medical care

Emergency services do not require referral or authorization. When you have an emergency medical condition, you should go to the nearest emergency department or call your local emergency communications system (police, fire department or 911). For more information on emergency benefits and plan procedures for emergency services, consult your FCHP Steward Community Care *Member Handbook/Evidence of Coverage*.

FCHP Steward Community Care provides access to a network that is smaller than FCHP Select Care. In this plan, members have access to network benefits only from the providers in FCHP Steward Community Care. Please consult the FCHP Steward Community Care provider directory—a paper copy can be requested by calling our Customer Service Department at 1-800-868-5200—or visit the provider search tool at fchp.org to determine which providers are included in FCHP Steward Community Care.

Plan specifics

Benefit period

The benefit period, sometimes referred to as a “benefit year,” is the 12-month span of plan coverage, and the time during which the deductible, out-of-pocket maximum and specific benefit maximums accumulate.

Varies by employer

Deductible

A deductible is the amount of allowed charges you pay per benefit period before payment is made by the plan for certain covered services. The amount that is put toward your deductible is calculated based on the allowed charge or the provider’s actual charge—whichever is less.

\$1,250 individual/
\$2,500 family

Embedded deductible

Please note that once any one member in a family accumulates \$2,500 of services that are subject to the family deductible, that individual member’s deductible is considered met, and that family member will receive benefits for covered services less any applicable copayments.

\$2,500

Out-of-pocket maximum

The out-of-pocket maximum is the total amount of deductible, coinsurance and copayments you are responsible for in a benefit period. The out-of-pocket maximum does not include your premium charge or any amounts you pay for services that are not covered by the plan.

\$4,000 individual/
\$8,000 family
