

# Direct Care

# Bronze Deductible 3000

## Benefit Summary—Benefits effective January 1, 2018 and beyond

---

### The Fallon difference

Direct Care is a Limited Provider Network. With Direct Care Bronze Deductible 3000, you get everything you need to live a healthy life. This plan features comprehensive medical benefits for lower monthly premiums and slightly higher out-of-pocket expenses compared to our other plans. Your monthly premiums are reduced further through the use of an annual deductible for certain services and a copayment for hospital admissions. Plus, you get:

- **A fitness reimbursement of up to \$150** that can be used for gym memberships at the gym of your choice with no limitations, school and town sports fees, home fitness equipment, exercise classes, ski lift tickets, and more!
- **\$0 copayments for routine physical exams** and other preventive services, including mammograms, cholesterol screenings and immunizations
- **\$0 copayments for routine annual eye exams**
- **Pedi-Dental** up to age 19 included.
- **Pedi-Glasses:** One designated set, once per calendar year.
- **Nurse Connect:** A free 24/7 nurse call line
- **Teladoc™ telemedicine** – Commercial members get 24/7 access to a national network of U.S. board-certified doctors to discuss non-emergency conditions by phone, mobile device or online. Teladoc doctors can diagnose and treat over fifty types of common illnesses.

### How to receive care:

This plan provides access to a network that is smaller than Fallon's Select Care provider network. In this plan, members have access to network benefits only from the providers in Direct Care. Please consult the Direct Care provider directory; a paper copy can be requested by calling Customer

Service at 1-800-868-5200, or visit the provider search tool at [fallonhealth.org](http://fallonhealth.org) to determine which providers are included in Direct Care.

### Choosing a primary care provider (PCP)

Your relationship with your PCP is very important because he or she will work with Fallon to provide or arrange most of your care. As a member of Direct Care Bronze Deductible 3000, you must select a PCP. To do this, just complete the section on your Fallon membership enrollment form. If you need help choosing a PCP, please visit the "Find a Doctor" tool on [fchp.org](http://fchp.org) or call Customer Service.

### Obtaining specialty care

When you want to visit a specialist, talk with your PCP first. He or she will help arrange specialty care for you. The following services do not require a referral when you see a provider in the Direct Care network: routine obstetrics/gynecology care, screening eye exams and behavioral health services. For more information on referral procedures for specialty services, consult your *Direct Care Member Handbook/Evidence of Coverage*.

### Emergency medical care

Emergency services do not require referral or authorization. When you have an emergency medical condition, you should go to the nearest emergency department or call your local emergency communications system (police, fire department or 911). For more information on emergency benefits and plan procedures for emergency services, consult your *Direct Care Member Handbook/Evidence of Coverage*.

## Plan specifics

### Benefit period

The benefit period, sometimes referred to as a "benefit year," is the 12-month span of plan coverage, and the time during which the deductible, out-of-pocket maximum and specific benefit maximums accumulate.

### Deductible

A deductible is the amount of allowed charges you pay per benefit period before payment is made by the plan for certain covered services. The amount that is put toward your deductible is calculated based on the allowed charge or the provider's actual charge whichever is less.

\$3,000 individual  
\$6,000 family

### Embedded deductible

Please note that once any one member in a family accumulates \$3,000 of services that are subject to the family deductible, that individual member's deductible is considered met, and that family member will receive benefits for covered services less any applicable copayments.

\$3,000

### Deductible carryover

Any deductible amount that is incurred by the member for services rendered during the last three months of the benefit period will be applied toward the deductible for the next benefit period. Deductible amounts are incurred as of the date of the service.

Included

### Out-of-pocket maximum

The out-of-pocket maximum is the total amount of deductible, coinsurance and copayments you are responsible for in a benefit period. The out-of-pocket maximum also does not include your premium charge or any amounts you pay for services that are not covered by the plan.

\$7,350 individual  
\$14,700 family

### Questions?

If you have any questions, please contact Fallon Health Customer Service at 1-800-868-5200 (TTY users, please call TRS Relay 711), or visit our Web site at [fallonhealth.org](http://fallonhealth.org).

 This health plan **meets minimum creditable coverage standards and will satisfy** the individual mandate that you have health insurance. As of January 1, 2009, the Massachusetts Health Care Reform Law requires that Massachusetts residents, eighteen (18) years and older, must have health coverage that meets the minimum creditable coverage standards set by the Commonwealth Health Insurance Connector.
