

“I like my doctors. How do I check to see if they are in a Fallon network?”

Finding your doctor is easy!

Find a doctor with our search tool

When you visit fallonhealth.org/gic, click on “Find a doctor”. You can search for a provider by location, name or specialty.

To find your Primary Care Provider or Specialist by name:

1. **Choose Name tab**
Enter the provider’s last name. (*First name and state are optional.*)
2. **Choose your Fallon plan**
Direct Care or Select Care
3. **Click “submit”**

To find your Primary Care Provider or Specialist by location:

1. **Choose Location tab**
Enter ZIP code or your city and state; choose distance from city or ZIP
2. **Choose your Fallon plan**
Direct Care or Select Care
3. **To narrow your selection, specify:**
Type of Primary Care Provider (PCP) or Specialty, Gender; and/or Additional language
4. **Choose hospital affiliation** (*optional*)
5. **Click “submit”**
