Welcome

HHCS 2 ACA—a Direct Care HMO plan

October 1, 2019–September 30, 2020

HHCS 2 ACA is offered through Fallon Health & Life Assurance Company, a wholly owned subsidiary of Fallon Community Health Plan.
Benefit Summary
Effective October 1, 2019

HHCS 2 ACA – a Direct Care HMO plan
This plan gives you a network of providers and hospitals—over 37,000 throughout Massachusetts—to choose from. This includes Harrington HealthCare and Saint Vincent Hospital, and access to these Boston hospitals through the Peace of Mind Program™: Beth Israel Deaconess Medical Center, Brigham and Women’s Hospital, Boston Children’s Hospital, Dana-Farber Cancer Institute and Massachusetts General Hospital.

For a listing of all HHCS 2 ACA Direct Care HMO providers, please visit our website at fallonhealth.org/harrington.

How to receive care:

Choosing a primary care provider (PCP)
Your relationship with your PCP is very important because he or she will work with the plan to provide or arrange most of your care.

Obtaining specialty care
When you want to visit a specialist, talk with your PCP first. He or she will help arrange specialty care for you. The following services do not require a referral when you see a provider in your plan’s network: routine obstetrics/gynecology care, screening eye exams and behavioral health services.

For more information on referral procedures for specialty services, consult your Member Handbook.

Emergency medical care
With this plan, you are covered for emergency services worldwide. Emergency services do not require referral or authorization. When you have an emergency medical condition, you should go to the nearest emergency department or call your local communications system (police, fire department or 911).

For more information on emergency benefits and plan procedures for emergency services, consult your Member Handbook.

As a Fallon Health member with **HHCS 2 ACA Direct Care**, you have access to a unique benefit called the Peace of Mind Program. But what is the Peace of Mind Program? And how does it work? Find answers to those questions below.

**What is the Peace of Mind Program?**
The Peace of Mind Program is a benefit that provides HHCS 2 ACA Direct Care members with access to receive a second opinion and treatment for specialty services at certain medical centers in Boston.

**What are the medical centers included in the Peace of Mind Program?**
They are:
- Beth Israel Deaconess Medical Center
- Brigham and Women’s Hospital
- Boston Children’s Hospital
- Dana-Farber Cancer Institute
- Massachusetts General Hospital

**Are there any eligibility requirements I have to meet in order to use my Peace of Mind Program benefit?**
Yes. In order to utilize your Peace of Mind Program benefit, you must meet the following criteria:

1. You must have seen a specialist in the same discipline, in your network, for the same condition within the past three months. For example, if you have seen an in-network orthopedic surgeon within the past three months, you can see an orthopedic surgeon at a Peace of Mind Program facility. However, if you have seen an in-network orthopedic specialist within the past three months, you can see an orthopedic specialist at a Peace of Mind Program facility, but not an orthopedic surgeon.

2. The specialty services you are seeking must be Fallon covered services (see your Member Handbook for a listing of services covered with your Fallon plan). The Peace of Mind Program may be used for all covered specialty care except infertility services, mental health, substance abuse, chiropractic services, dental care or speech therapy. The Peace of Mind Program may not be used for any primary care services, including internal medicine, family practice, pediatrics or obstetrics.

3. Your PCP must request a prior authorization from Fallon for you to see a Peace of Mind Program specialist. **Your PCP cannot deny you the right to access your Peace of Mind Program benefit.**

**Do I have to pay any extra out-of-pocket costs for services received through the Peace of Mind Program?**
No. Any services you receive through the Peace of Mind Program are subject to your benefit plan’s standard cost-sharing amounts. For example, if your copayment to see an in-network specialist is $70, you will pay the same amount to see a Peace of Mind Program specialist.
Important information

Thank you for choosing us to provide your health coverage. You will soon receive a New Member Booklet in the mail. This kit will include information about your membership and your membership card(s). Also included in your New Member Booklet will be information on how to obtain a Member Handbook, which defines your benefits and regulates benefit decisions. If you, or a dependent, need to seek medical services before you receive your Member ID card in the mail, all you have to do is give us a call. A member of our Customer Service team can help you. Simply ask for your Member ID card number. That is all you should need to receive services.

If you are an HHCS 2 ACA Direct Care HMO plan member:

You must choose a Primary Care Provider (PCP):
Each person covered under HHCS 2 ACA Direct Care HMO must choose a PCP. A PCP is a provider of internal medicine or family practice for adults and a pediatrician or family practice provider for children. Please refer to fallonhealth.org/harrington for a complete list of providers and their locations. You must make these selections now and list your choices on your enclosed Membership Transaction Form. Informing Harrington of your PCP selection(s) as soon as possible will help ensure that any bills for health services you receive from your PCP are processed as quickly as possible.

Worldwide emergency medical care
Emergency services do not require referral or authorization. When you have an emergency medical condition, you should go to the nearest emergency department or call your local emergency communications system (police, fire department or 911). For more information on emergency benefits and plan procedures for emergency services, consult your Member Handbook.

Questions?
Call the Customer Service team at 1-855-508-6226.

Consent
Submission of the Member Transaction Form indicates that you authorize anyone who provides medical services to you, your spouse or dependents to release to the plan any health information or medical records relating to those services for such routine needs as coordination of benefits, disease management programs, quality management, coordination of care, health services management, accreditation, processing and payment of related claims.

Agreement
I am employed by the company named on this form, working at least 30 hours per week, full time, or 20 hours part time, and I receive an employer contribution to health insurance coverage (or I am otherwise eligible for the named company’s health insurance coverage, e.g., as a former employee covered under COBRA). I hereby authorize my employer to deduct from my wages (if necessary) the amount I am responsible for contributing for the Fallon Health/FHLAC coverage I have selected. I understand that Fallon Health is a Health Maintenance Organization and that membership becomes effective in accordance with the Fallon Health/FHLAC Group Agreement and the Member Handbook. I have read the Member Transaction Form. I understand how to obtain and use services under my Fallon Health/FHLAC coverage. I certify that all information is correct to the best of my knowledge. NOTE: The requested effective date may not be the actual effective date if it is not in accordance with the Fallon Health/FHLAC Group Agreement and your plan’s Member Handbook.
