Pharmacy Directory

This booklet provides a list of NaviCare HMO network pharmacies. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about NaviCare HMO network pharmacies in your area, please visit our Web site at www.navicare.org or call NaviCare Enrollee Services at 1-877-700-6996, seven days a week, 8 a.m. to 8 p.m. (TDD/TTY Users should call 1-877-795-6526.)

Introduction

This booklet provides a list of NaviCare HMO network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and NaviCare HMO's formulary. If you have additional questions, call NaviCare Enrollee Services at 1-877-700-6996, seven days a week, 8 a.m. to 8 p.m. TDD/TTY Users should call 1-877-795-6526. Or, visit www.navicare.org.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by NaviCare HMO. In most cases, your prescriptions are covered under NaviCare HMO only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

About this directory

In this directory, you will find the following information about the different types of pharmacies in the NaviCare HMO network:

1. Chain pharmacies are listed alphabetically by name beginning on the next page. The listing includes the pharmacy's toll-free number/central number for the pharmacy chain, and their TDD/TTY number or TRS Relay number 711.
2. All other pharmacies are listed by pharmacy type (retail, mail order, home infusion, long-term care or Indian Health Service/Tribal/Urban Indian Health Program), and then alphabetically by town. Each pharmacy entry includes:
 - Pharmacy name
 - Pharmacy address
 - Pharmacy phone number

If you cannot find your pharmacy, or if you have questions, you can visit our Web site at www.navicare.org, or call NaviCare Enrollee Services at 1-877-700-6996, seven days a week, 8 a.m. to 8 p.m. TDD/TTY Users should call 1-877-795-6526.
