

NaviCare HMO Plan Provider Directory

This directory provides a list of NaviCare HMO's plan providers.

This directory is for Worcester County. Please refer the 'What is the service area for NaviCare HMO' section of this directory for the list of towns and zip codes.

This directory is current as of August 17, 2009. Some plan providers may have been added or removed from the list after this directory was printed. To get the most up-to-date information about NaviCare HMO plan providers in your area, you can visit www.navicare.org or call a NaviCare Enrollee Service Representative at 1-877-700-6996. TDD/TTY users should call 1-877-795-6526.

Section 1: Introduction

This directory provides a list of NaviCare HMO's plan providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage*.

Choosing a Primary Care Physician

You will have to choose one of our plan providers that are listed in this directory to be your Prietary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care coverage from your PCP. Your PCP will manage your routine care and will refer you to specialists as needed.

How to change your PCP

You may change your primary care physician by calling a NaviCare Enrollee Service Representative at 1-877-700-6996, seven days a week from 8 a.m. to 8 p.m. TDD/TTY users should call 1-877-795-6526. When you change your primary care physician, the change will become effective immediately. Please remember that your choice of PCP will determine the hospitals and specialists to which you will have access. If the PCP to which you are changing belongs to a different hospital or medical group than your previous PCP, the hospitals and specialists to which you will have access may also change.

Care from specialists

In most cases, you may see specialists only when referred by your PCP. For example, if you need to see an allergist, a doctor that takes care of you when you have allergies, your PCP will arrange a referral for you. You may not set up an appointment without first consulting your PCP. In some cases you do not need a referral. For example, you do not need a referral for behavioral health and substance abuse services, OB/GYN services and eye exams.

Important! Your choice of PCP determines the specialists and hospitals you will be referred to for care by your PCP. Please see "Provider Affiliation" under each provider name in *Section 2: List of plan providers*. "Provider Affiliation" will tell you the medical group the PCP is associated with. In most cases, the PCP will refer you to specialists in the same medical group.

Provider Affiliations are abbreviated in the provider listings as follows:

Fallon Clinic = **FC**
Athol Memorial Hospital = **AT**
Harrington Memorial Hospital = **HA**
Heywood Hospital = **HW**
Saint Vincent Hospital = **SV**

The "plan providers" listed in this directory have agreed to provide you with your health care coverage. All providers listed accept Medicaid. You may go to any of our plan providers listed in this directory; however some services may require a referral. If you have been going to one plan provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-plan providers.

Emergency care

Emergency services do not require referral or authorization. When you have an emergency medical condition, you should go to the nearest emergency room or call your local emergency communications system (police, fire department, or 911). For more information on emergency benefits and plan procedures for emergency services, please see your *Evidence of Coverage*.

Bills from non-plan providers

Non-plan providers are providers who are not contracted with the NaviCare HMO provider network. We cover certain health care services that you get from non-plan providers. These include care for a medical emergency, urgently needed care, renal dialysis that you get when you are outside the plan's service area, care that has been approved in advance by NaviCare HMO, and services that we denied but that were overturned in an appeal.

If a non-plan provider asks you to pay for covered services, please contact us at Fallon Community Health Plan, Claims Department, P.O. Box 15121, Worcester, MA 01608-0121. It is best to ask a non-plan provider to bill us first, but if you have already paid for the covered services we will reimburse you for the cost. If you received a bill for the services, you can send the bill to us for payment. We will pay your doctor. For more information on bills from non-plan providers, please see your *Evidence of Coverage*.

What is the service area for NaviCare HMO?

The service area is Worcester County, including the following cities and towns:

Worcester County		Worcester County (continued)		Worcester County (continued)

How do you find NaviCare HMO providers in your area?

If you are looking for a PCP, follow these steps:

- In the "Primary Care" section, pages 1 to 8, look for internal medicine, family practice, general practice or geriatrics, then chose a town near you. Providers are listed by specialty and town. You can choose any provider in the Primary Care section to be your PCP, as long as they are accepting patients.

If you are looking for a specialist, follow these steps:

- In the "Specialists" section, pages 9 to 40, specialties are listed in alphabetical order. Under each specialty, providers are listed by town. In most cases, you may see specialists only when referred by your PCP.

If you are looking for other types of providers like nutritionists or optometrists, check the Table of Contents at the beginning of this book to find the page where they are listed.

The information contained in this book is current as of the date of printing. NaviCare regularly expands its network of providers, so there may be additional providers available who are not listed here.

Some providers are accepting a limited number of patients. We have indicated this status with an "l" to indicate the provider is accepting a limited number of patients or a "c" to indicate the provider is closed to members. These symbols follow the providers' names. However, it's always best to check with each provider to be certain he or she is accepting new patients.

The reimbursement method is listed for each physician. The following are definitions of these reimbursement methods:

Capitation: The per-person payment made to a health care provider to deliver a specific menu of health services to a defined population over a set period of time. The provider usually receives, in advance, a negotiated monthly payment per member based on the expected cost of providing the specified services. Payment varies to reflect the total number of members covered and, typically, characteristics of the members such as age and sex; but payment does not vary based on the actual services provided to each member.

Fee for service: Provider reimbursement in which the provider is paid according to the number and type of services performed.

If you have questions about NaviCare HMO or need help choosing a provider, please call a NaviCare Enrollee Service Representative at 1-877-700-6996, seven days a week from 8 a.m. to 8 p.m. TDD/TTY users should call 1-877-795-6526. Or, visit www.navicare.org.
