

# “I like my doctors. How do I check to see if they are in a Fallon network?”

Finding your doctor is easy!

## Find a doctor with our search tool

When you visit [fallonhealth.org/gic](http://fallonhealth.org/gic), click on “Find a doctor” under the “Tools for members” section. You can search for a provider by location, name or specialty.

### To find your Primary Care Provider or Specialist by name:

1. **Choose Name tab**  
Enter the physician’s last name. *(First name and state are optional.)*
2. **Choose your Fallon plan**  
Direct Care or Select Care
3. **Click “submit”**

### To find your Primary Care Provider or Specialist by location:

1. **Choose Location tab**  
Enter ZIP code or your city and state; choose distance from city or ZIP
2. **Choose your Fallon plan**  
Direct Care or Select Care
3. **To narrow your selection, specify:**  
Type of Primary Care Provider (PCP) and choose “no preference”, “adults” or “children”.  
Or specify Specialty, Gender; and/or Additional language
4. **Choose hospital affiliation** *(optional)*
5. **Click “submit”**
