

Submit your prior authorization requests electronically

AVAILABLE NOW

CVS/caremark™ has teamed up with CoverMyMeds to help prescribers quickly find and submit prior authorization (PA) requests electronically.

Major benefits of CoverMyMeds

- Free for prescribers
- Receive determinations electronically – often in real-time
- Allows you to check PA status online

Live demo available

CoverMyMeds offers live demonstrations every Wednesday at 2 p.m. EST at webinars.covermymeds.com. You may also call CoverMyMeds at **1-866-452-5017** to schedule a demonstration.

GET STARTED IN THREE EASY STEPS

1 Register

Sign up at covermymeds.com/epa/caremark and click **“Create a Free Account”** or call us toll-free at **1-866-452-5017** for personal assistance.

2 Start a PA

Enter the state, drug and search term (e.g., prescription drug plan) and click **“Start Request.”** The appropriate PA request will display.

3 Complete and submit

Complete important medical details. When finished, the PA request can be submitted electronically.
